DR. PIERCE'S FAVORITE RESCRIPTION MAKES WEAK WOMEN STRONG, SICK WOMEN WELL.

Mrs. M. F. Long, of Le Loup, Mrs. M. F. Long, of Le Loup, Franklin Co., Kana., writes: "Words cannot express how grateful I am for your kind advice and good medicines. I have been in poor health more or less all my life. In the past nine years grew worse, and two years ago I was so poorly could hardly drag around. I consulted a specialist, and he said I had ulceration and that an operation would have to be performed. This did not seem necessary formed. This did not seem necessary to me, so time went by, and at last I wrote to Dr. Pierce asking advice. I wrote to Dr. Pierce asking advice. I soon got a helpful answer advising me to try his medicines, the 'Favorite Prescription,' 'Golden Medical Discovery,' and also his 'Pleasant Pellets.' I began taking 'Favorite Prescription' and the other medicines as advised. When commencing I weighed 119½ pounds, and after taking one bottle of each I felt like a new woman. In one month I gained 8 pounds. After taking two bottles of each of the medicines, I began to look like a woman and not like a skeleton, and that weary tired feeling all left me."

BLACK SWAN TAKES FLIGHT. Somewhere in the Potomac river in the vicinity of the Great Falls a valuable black swan belonging to Hon. John E. Reyburn, formerly a member of Con-Reyburn, formerly a member of Congress from Pennsylvania, is now paddling its way to some nook where it can deposit its eggs and hatch out its young. The swan was brought to Washington, with its mate, by Edward Schmidt for Mr. Reyburn several days ago. The latter desired the specimen for his Florida country home. The Florida establishment 's not quite ready for occupancy, however, and Mr. Schmidt was requested to keep the swans until Mr. Reyburn should send

A number of white swans belonging to Mr. Schmidt are kept in the carp pond in the Monument grounds during the summer, and the black pair were the summer, and the black pair were placed in the pond Friday afternoon to await the orders of their owner. Saturday morning Mr. Schmidt received word from the attendant at the pond that one of the swans had escaped during the night and had flown in the direction of the bathing beach. A search of the beach was made, but no swan could be found. Sunday is was reported that a black swan day is was reported that a black swan was seen paddling in the water near the Chain Bridge, and again yesterday a report was received that the bird had been seen in the vicinity of the Little Falls, going down the river. Mr. Schmidt has offered a reward for the

capture of the bird, as it is considered a very fine representative of its species.

The bl-ck swan comes from Africa. In the Z ological Park, Brussels, the keepers have been able to breed the birds in large quantities, and almost every one of them that is brought to this country is imported from B u-sels. A pair such as that be-longing to Mr. Reyburn sells for \$100 The black swan is about the same size as the white one, but is considered much more beautiful on account of its jet black coloring Mr. Reyburn is at present in New London, Conn., pre-paring to go to his Florida country home.
